Day One

Depart on your rail journey to Central Queensland & the Great Southern Barrier Reef. At Rockhampton you will be greeted by our friendly staff & transferred to Yeppoon for a delicious evening meal. After dinner enjoy & relax on your private balcony with a cuppa or a glass of wine whilst listening to the ocean & the local wildlife.

Day Two

After a tasty breakfast we visit Shell World & view over 10,000 exotic shells before taking in the sights of Bluff Rock & the beauty of the Causeway Lake. Morning tea will be served at the singing ship (it really sings) from this picturesque vantage point you can wander down to the stunning tribute & impressive art works of Emu Park's War Memorial. Wayne The Man will entertain us tonight over a 3 course meal with music of the 50's, 60's & 70's.

Day Three

After a hot buffet breakfast we depart to the Yeppoon Bowls Club, a club that has earned the reputation of "The Place To Bowl" on the Capricorn Coast. Or if a game of golf is in order, the Capricorn Resort Golf Course is for you. The afternoon is at leisure, strolling around Yeppoon exploring the many cafes, boutiques & our new foreshore lagoon. Tonight dinner is with Bob Pacey our bush poet, an incredible funny man.

Day Four

After breakfast we take a short drive to Rosslyn Bay & set out to beautiful Great Keppel Island by Fast Cat. There is an abundance of tropical marine life to be enjoyed either by glass bottom boat or just by snorkelling off the beach. After lunch we will explore the island, it's beauty will astound you, pristine beaches, numerous coves & bays, the wildlife it's all here to fall in love with. Dinner tonight is with Ken Jones Country & Western Singer.

Day Five

Today after breakfast we set out to explore the rich architectural heritage of Rockhampton, The Walter Reid Building, Customs House, City Hall & visit Archer Park Station - an award winning attraction where statues talk & sing. After lunch under a 100 year old Banyan Tree we visit Athelstane Bowls Club where you will meet the friendliest bowlers of Rockhampton, and not to be outdone we tee off at the friendliest & most challenging course in Rockhampton, The Rockhampton Golf Club. Tonight Gypsy Graham will keep us entertained with love songs during dinner.

Day Six

After a light breakfast we head back to Rockhampton to catch the train home. We trust you enjoyed your stay & hope you come again.
