Outback Adventure Tour Itinerary

Day One: Depart on your rail journey to Central Queensland & the Great Outback Adventure Tour to Longreach. At Rockhampton you will be greeted by our Tour Manager and transferred to Bayview Tower for an enjoyable evening meal. After dinner enjoy and relax on your private balcony and savour that cuppa or glass of wine, whilst listening to the ocean and local wildlife.

Day Two: After a tasty breakfast we head west and take in the glorious scenery en-route to Central Qld and the Gem Fields of Sapphire and Rubyvale. Here we go under ground to explore the tunnel section of the Heritage Mine known as Monkey Drive which was dug back in 1906. We will try our luck with a bucket of wash, who knows what we might find? After dinner we will bed down for a comfortable nights sleep and dream of the outback.

Day Three: We enjoy a beautiful breakfast and then it's westward bound to Longreach along the Tropic of Capricorn, stopping in Barcaldine for a lovely lunch, a little bit of history about the birth place of the Labour Movement & the Tree of Knowledge, before continuing to Longreach. In the evening we will embark on a sunset cruise, followed by a Stockman's dinner, bush poetry and the Starlight's Sound & Light Picture Show.

Day Four: Today begins with a delicious breakfast before heading off to the Qantas Museum to see, hear and understand the part aviation has played in our history. Lunch will be at the Stockman's Hall of Fame. This is one of the most popular attractions in Longreach and not to be missed. There are six galleries to explore, each pays tribute to our pioneers of the outback, the history, the lives and challenges they faced. You could spend all day here, it's a wonderful piece of history and well displayed.

Day Five: Today we catch a Cobb & Co Stagecoach to travel back in the time of our early settlers. Five horses will pull our coach, following will be smoko of scones, jams & cream. Then we will relax into Retro Aussie cinema seats to enjoy a classic bush film, followed by the Harry Redfern Old Time Show. A billy can lunch will be provided. The afternoon is at leisure to explore the many and varied shops of Longreach.

Day Six: After a tasty breakfast, sit back and relax as we return to Yeppoon. A delightful lunch will be served in Emerald with morning and afternoon tea along the way. Dinner will be at Bayview Tower, with entertainment by Wayne the Man singing 50's, 60's & 70's - songs of yesterday.

Day Seven: We will enjoy a light continental breakfast before we head back to Rockhampton for that train or plane home. Thank you for coming and we hope you enjoyed the trip as much as we did showing you the beauty of the outback.
